PHILIPPINE OVERSEAS LABOR OFFICE
Dubai, United Arab Emirates

**OCTOBER 22, 2022, SPECIAL POLO-DUBAI SERVICE
FOR RAS ALKHAIMAH OFW RESIDENTS**

It is down to the last few stretches of the year but the Philippine Overseas Labor Office – Dubai and Northern Emirates (POLO-Dubai) remains steadfast on its commitment to serve Overseas Filipino Workers (OFWs) in the United Arab Emirates. On Saturday, October 22, 2022, the POLO once more answered clamors of Overseas Filipino Workers (OFWs) from Ras Alkhaimah (RAK) and opened its doors on a weekend to serve RAK workers wanting to avail of POLO services.

The half-day affair, conducted in cooperation with The Filipino Club Ras Alkhaimah, provided four hundred forty-one (441) individual services to RAK OFW residents, consisting of employment contract verification, OWWA, SSS, and Pag-IBIG membership services. This joint effort by the Philippine Consulate General Dubai, POLO-Dubai, and the Filipino Club-RAK has been helping OFWs reach Philippine government services at their most convenient time which is consistent with the mandate of the office to facilitate OFWs' access to its programs and services.

The activity was the ninth (9th) POLO-Dubai Special Service this year. In total, almost 5,000 OFWs have already been served during special consular services in 2022. Before the end of the year, two more special consular missions are scheduled which would cover Dubai and Northern Emirates OFW residents. For announcements and updates, OFWs may visit the POLO-Dubai website at <https://www.polodubaiportal.org/>

As the POLO winds up 2022 activities and gears up for the next year's services, OFWs and Filipino Communities are encouraged to take advantage of special services as well as regular services offered by POLO Dubai. Information on the current and planned activities are regularly posted on the POLO-Dubai website.
